

2024 VIRGINIA COMMONWEALTH GAMES GAMES ARE ON!

We want to thank all of you for supporting us during this difficult time for the sport of racquetball at Liberty University. For those who do not know, the Liberty Recreation and Fitness Center (aka LaHaye Recreation and Fitness Center where the racquetball courts are located) have asked Liberty University for permission to remove two of four racquetball courts.

If this request is accepted, Liberty University will no longer be able to host any tournaments and would also cause the elimination of the Liberty University Racquetball team. This issue is being fought by the local racquetball community and has been for more than six months.

With no final decision made, Virginia Amateur Sports submitted a request to Liberty University to host the 2024 Virginia Commonwealth Games Racquetball tournament and Liberty University has agreed to host the tournament this year.

With this news, we will begin preparation for the 2024 Virginia Commonwealth Games Racquetball tournament at Liberty University.

Spread the word and together we can get a good tournament going and show the decision makers the support Liberty racquetball has throughout the area.

The tentative information for the Racquetball Tournament follows:
